REQUEST FOR CLARIFICATION OF RECORD

Commissioner for Patents
Washington, DC 20231

Sir:

Applicants again note the Examiner's acknowledgement of the Information Disclosure Statement. However, the copy of the Form PTO-1449 furnished is only partly initialed.

Applicants, therefore, **again** request the Examiner to provide a completely initialed copy of Form PTO-1449 indicating consideration of each of the cited references.

Applicants again note that the relevance of the references which have not been initialed by the Examiner are discussed in the specification, notably at page 1, lines 21 and 22, and at page 2, line 9. Adverting to the Information Disclosure Statement submitted September 16, 1999, at page 1, ultimate paragraph, it was indicated that the relevance of each non-English language reference is discussed in the specification. The correspondence and relationship of several of the non-English language references was also made known.

Applicants, therefore, again request the Examiner to provide a completely initialed copy of Form PTO-1449 indicating consideration of each of the cited references.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.
